Da Bozz Troll zez...

Dis month TROLL has had a bit uv a face lift ('cos uz trolls ain't da prityist fings iz we!). We got loads uv zoggin great new models from sneaky and smelly Skaven to dem stunted Halfling runtz. We also got da new Keeper of Secrets dat even we'z afraid of. Pluz a sneek peek at sum new Chaos Marine troops, if you'z can just get past dem vermin...

TROLL 14 iz full uv rats!

SKAVEN

All ye beware! The chittering hordes are amongst us. Like a cancer they spread from the dread blighted marshes, through labyrinthine tunnels running the length of the known world. Think not that you are safe in your bed for they lurk in every sewer, in every catacomb in every city. Beware the rats that walk like men, beware the Skaven!

CHAOS

THE KEEPER OF SECRETS IS EVEN SCARIER THAN IT LOOKS

GREATER DAEMON OF SLAANESH

A Keeper of Secrets is a lithe, titanic monster with two pairs of arms, one pair ending in long chitinous claws. Keepers of Secrets are highly intelligent creatures, whose silvered words and languid gestures belie their true power. A mortal creature will gaze in awe at the Keeper of Secrets' captivating appearance, while the Daemon's terrible claws tear his transfixed body apart.
